Please pray for Irene Lawless who died during last week. May she rest in peace.
We offer our prayers and sympathy to her family and friends.

Parking – a reminder that we do only have very limited space to park near to church so it is helpful if the space is used well. When there is space for two cars **please don't park in the middle of the space** – something that does happen still.

The police have warned me that cars parked too **near to junctions** or ones that park **preventing large vehicles to drive along the road** will be fined.

For our neighbours' sake please do not park **obstructing any driveways**.

Society of St Vincent de Paul – our parish has a number of members who give generously of their time to help those in need in our local area, regardless of religion. They visit the housebound and lonely and help with appointments to doctors and hospitals. If needed some furniture or replacement appliances may be provided. Families who have been struggling have, during the summer, stayed at the SVP caravan for a much needed holiday.
