Wirral Foodbank is in need of anyone who would be able to **give just 2/3 hours** a week, or now and then, to help us. Volunteers would be working in a centre directly with clients, in the food packing room. sorting the food or helping to make up orders so there is plenty of choice. Van drivers and loaders are always needed. If people **can only come once a month or once a fortnight**, that is fine. Anyone interested can find out more on our website www.wirralfoodbankextra.co.uk or ring us directly on 638 7090.
